FREE COMMUNITY WORKSHOP

Start here

Curious about AI, but not sure where to start?

A free, hands-on beginner class.

Christopher Gulledge
Practical AI Integration Coach

Learn what today's AI tools can actually do, try a practical task on your own device, and learn basic privacy and fact-checking precautions.

WHEN

Tuesday, August 25, 2026
6:00–7:30 p.m. · Doors open 5:45 p.m.

WHERE

Glenwood Springs Branch Library
Glenwood Classroom, 2nd floor · 815 Cooper Ave

BRING

A fully charged laptop, tablet, or phone. A laptop is recommended. Charging will not be available.

PREPARE

Create an AI account before class and confirm access to that account's email. Claude or ChatGPT is recommended; other AI tools are welcome.

FREE · REGISTRATION REQUIRED · LIMITED TO 25 PARTICIPANTS

Adults only. Ages 16–17 must attend with a legal guardian.
